

1

NETAJI MAHAVIDYALAYA
Arambagh, Hooghly

Notice dt. 14.03.2023

It is notified for information of all concerned that Department of Environmental Science in collaboration with the IQAC of the college has organised a one-day workshop on "**Biodiversity Conservation Through Bird Protection**" to be held on 16.03.2023 at 11.00 AM in the College Auditorium.

All students, teaching and non-teaching staff of the college are requested to attend the said workshop to make it a grand success.

(Dr. A. K. De) 14/3
Principal
Netaji Mahavidyalaya
Arambagh, Hooghly

Report of Seminar on Biodiversity Conservation Through Bird Protection

A seminar on a topic of 'Biodiversity conservation through bird protection' was organized by IQAC of our college on 16.03.2023 at 11:30 am in our college auditorium. After the introductory speech by our Principal Dr Asim Kumar De and Vice-Principal Dr Biswanath Garai, two speakers Dr Anindya Bhattacharya, Assistant Professor of the Department of Economics, Netaji Mahavidyalaya and Dr Debnarayan Saha, Associate Professor of the Department of Zoology, RRRMahavidyalaya delivered their lectures respectively related to the above-mentioned topic. The seminar began with an overview of bird diversity, highlighting the vast array of species found in various ecosystems specially in West Bengal, followed by the discussion of the significant threats facing bird populations, including habitat loss, climate change, pollution, invasive species, and direct exploitation. Participants learned about the ecological roles of birds, including pollination, seed dispersal, pest control, and ecosystem maintenance and gained insights into the specific impacts of these threats on different bird species and ecosystems. The seminar featured case studies highlighting successful bird conservation projects from around the world. Participants learned about innovative approaches to addressing specific threats and promoting coexistence between birds and human activities. About 35 teachers and 150 students attended the seminar. The seminar ended by a vote of thanks by Dr Amit S Tiwary, IQAC coordinator. The faculty members and students of our college participated and successfully completed both the sessions and gained a great insight of the said topic.

B. Garai
