Report of Seminar on Value Education in the context of New Education Policy

A seminar on a topic 'Value Education in the context of New Education Policy' was organized by the department of Philosophy in collaboration of IQAC of our college on 18.04.2023 at 11am in our college auditorium. After the welcome address by our honourable Principal SirDr. Asim Kumar De, our distinguish speaker, Prof. Asha Mukherjee, former Professor of the Department of Philosophy and Comparative Religion, Visva-Bharati University, Shantiniketan, Birbhum, delivered an interesting lecture on the value education in the context of New Education Policy. She thoroughly discussed how the value education holds immense significance within the framework of the New Education Policy 2020. By integrating values into the curriculum and fostering a culture of ethical leadership, the NEP aims to nurture well-rounded individuals capable of contributing positively to society. Effective implementation strategies, including curricular integration, teacher training, and community engagement, are essential for realizing the vision of holistic development outlined in the NEP. Through collective efforts, India can build an education system that not only imparts knowledge but also instils values, preparing students to lead fulfilling lives and make meaningful contributions to the world. About 58 students and 28 teachers attended the programme. The seminar ended by a vote of thanks by Dr. Abhijit Mukherjee, IQAC coordinator of our college.
