Move from the educational staircase to emotional scenarios.

1. Teachers have to listen about what students want from them

1. Study is well but other educational purposes teaching not very well please look down on this programmes.

Please continue classes regularly.

We are fully satisfied by our teachers and teaching skill .

We are fully satisfied our teachers and their teaching skills

Details explained

I think some pre -test exam will be held on college that all students prepare for final exam faithfully,

1- Tests should be done from time to time

2- Students should come regularly to the college so that the teachers can take classes Well

3- Students should catch up on reading every day

1. The learning process of the institute is very good ,but the institution should take care about student's external knowledge like soft skill and problem solving skills etc.

2 The institute should prepare their students for various type of competitive exams. For this reason institute should take mock test to prepare students

1. Teachers should take the class as per the routine

2. Fairness of internal evaluation process needs a lot of improvement

Only our HOD takes quality classes, other teaching staff's performance is not up to the mark, teachers should study also, they only come to the class and write down some content from the book, never encourages us at all.

Communicate.

More practically explanation.

Partiality.

Everyone equally treat..

Students should understand by the teachers .

Students should be listened to.

Visually teaching

Overall good learning.

Very Good

.

Student should be listend by the teacher

We need departmenttal smart room

Teacher should behave in a friendly manner. They should encourage students according their strength and weakness and they should also be a down to earth person. And institute can introduce 'learning with fun' method.
And the admin of the administration house should talk gently with students because sometimes they treat students as a burden.

This institution is very good .All teachers are very good and learning very well .

1. তথ্যসংগ্রহ মূলক শিক্ষাদান করা।
2. শিক্ষার্থীদের যাচাইকরণের মাধ্যমে বোঝা এবং সেই অনুযায়ী শিক্ষা প্রদান করা।
